

THE WORD ON COMMON STREET

December 13, 2024/VOL 022
DEVELOPMENTS SHAPING OUR TOWN

Welcome two new Police Officers!

Our newest officers, Aaron Sparks and Cole Trainor, were sworn in Monday, December 9th at the Southborough Police Department. Town Clerk Jim Hegarty administered the Oath of Office, as Select Board Members, Town Administrators, Police & Fire Department members, and family members looked on. Our new officers will now begin an extensive 12-week Field Training program with our patrol division.

Congratulations to Aaron and Cole, and we wish them the best of luck in their new profession!

Welcome, Emily!

We are happy to announce that Emily Brideau will be joining our team as the new Youth and Family Services Program Coordinator! Her background in public health, legislative work, and experience with community outreach aligns perfectly with this position. Her positive attitude and eagerness to assist the public in matching needs with services, make her a great addition. Welcome, Emily!

Congrats to Captain Doane!

This past Saturday, the Southborough Fire Department was proud to acknowledge newly promoted Captain Brittaney Doane, who became the first female Captain in the Department's history!

Captain Doane has had an incredible career in Southborough as she has been with the department for 10 years and serves as the Department's SAFE Coordinator and Equipment manager and previously served the Department as a Lieutenant.

Congratulations to Captain Doane!

Tricentennial Bricks!

July 8, 2027 marks the 300th anniversary of Southborough's incorporation as a town! The Southborough Tricentennial Committee is planning a year of celebration to honor our town's past, present, and future.

As part of the fundraising for the celebration of Southborough's Tricentennial, Friends of Southborough 300 Inc. is offering engraved bricks, which will be installed in Southborough's new Heritage Park, beginning at the walkway between St Mark's Street and the Park's main plaza. Each brick is \$300. A brick can serve as a way to honor someone, as memoriam, or contain your family's name or the name of your business or organization. All bricks will become a part of Southborough's Heritage Park as a lasting tribute. Space is limited, so place your order ASAP:

2024 Year in Review

It's hard to believe we are looking to begin another year in a couple weeks! As we look back to all that was accomplished this year, I have to thank so many staff and board/committee members. Without their support and expertise, the town would not have been able to reach these milestones. A big thank you to them all for their hard work and diligence in 2024! Take a look at some of the impressive accomplishments achieved:

- Implementation of the Town's first Employee Handbook
- Kickoff of the Tricentennial Committee [Including establishment of the 501c3 to handle primary fundraising for the celebrations]
- Completion of RECC regional partnership
- Installation of Andrew Puntini, Fire Chief
- Completion of Heritage Park

And so much more! Congratulations on a great year, Southborough!
