Good luck to Amy & Welcome Kelly!

It's bittersweet news, but we have to share—Amy Berry, our incredible Deputy Town Clerk, will be leaving to take on an exciting new role as Town Clerk in Grafton! For the past six years, Amy has been the heartbeat of the Town Clerk's Office—always greeting residents with a warm smile, an unwavering dedication to excellent service, and a knack for making even the busiest election days run smoothly. From streamlining Vote by Mail operations to spearheading the scanning of historical records, she has been instrumental in keeping the Clerk's Office efficient and organized. Her professionalism, positivity, and delightful customer service will be deeply missed! Grafton is lucky to have her! As we say goodbye to Amy, we are thrilled to welcome Kelly O'Brien as our new Deputy Town Clerk, starting March 3! Kelly has spent the last two years working in Southborough's Building Department, and before that, she honed her skills in patient relations for a large multi-state medical practice. A dedicated Southborough resident, Kelly also serves on the Historical Commission. Please join us in wishing Amy all the best in her new adventure and in giving Kelly a warm welcome to her new role!
