THE WORD ON COMMON STREET

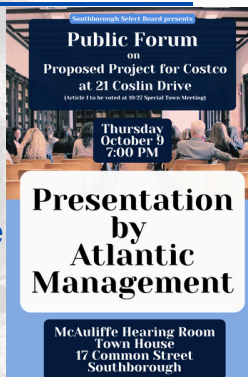

October 3, 2025/VOL 035
DEVELOPMENTS SHAPING OUR TOWN

Article I at STM - Come Vote!

Southborough residents are encouraged to attend Special Town Meeting (**October 27th at 6:30PM in the Trotter Gym at 49 Parkerville Road**) to vote on Article One, a key zoning amendment.

Why this matters:

- **Ease the burden on residents:**
- **Homeowners currently carry most of the tax load.** This zoning change helps shift more responsibility to commercial and industrial taxpayers.
- **Bring in new revenue:** A Costco is proposed for 21 Coslin Drive. That project alone could generate millions in new tax dollars and attract other businesses to town.
- **Support vital services:** More commercial tax revenue means stronger funding for schools, roads, and public safety, without raising residential property taxes.
- **Keep a voice in the process:** If passed, the project will still go through public hearings with several boards, giving residents input on traffic, landscaping, and environmental impacts.

Forum Flyer

The Select Board unanimously supports Article I, calling it a crucial first step to rebalance our tax base & strengthen Southborough's financial future.

Read their full letter of support here:

Way to go, Taylor!

We're proud to share that Taylor West, Southborough's Public Health Director, has been selected as a member of the inaugural Executive Steering Committee of Massachusetts Women in Emergency Management (MWEM). MWEM aims to build a network of women leaders across emergency management, health, nonprofits, academia, and the private sector. As one of just 12 distinguished statewide appointees (spanning public health, emergency management, higher education, nonprofit, and private industries), Taylor brings Southborough's voice and experience to the table. Her appointment underscores her commitment to resilience, community preparedness, and collaboration across jurisdictions. We look forward to seeing how her insights help strengthen equity, diversity, and capacity in Massachusetts' emergency management efforts.

Congratulations, Taylor!

Hazardous Waste Day

Southborough residents are invited to safely dispose of unwanted materials during Household Hazardous Waste Day on Saturday, October 25, 2025, from 9:00am to 12:00 pm at the Southborough Public Works Yard. Items such as pesticides, pool chemicals, auto batteries, brake fluid, furniture polish & solvents will be accepted, while items like latex paint, alkaline batteries, motor oil & medical waste will not be collected. Please note that a valid Transfer Station sticker is required to participate, and fees apply for TV and computer monitor disposal. This is a great opportunity to responsibly clear out hazardous items from your home and garage. For more info click here: <https://tinyurl.com/4fv4u954>

Fall Rec Update

Southborough Recreation has a full slate of events and programs this season! Along with our signature fall events—Heritage Day (Oct. 13), Trunk or Treat (Oct. 25), and the 19th Annual Gobble Wobble 5K—we're excited to share some program highlights.

- Flag Football is a hit! Over 70 kids registered in 3 age groups
- **Halloween Coloring Contest**, pages released Monday October 6 thru October 23 - 2 categories 0-9 and 10+
- Chess Tournament with Chess Wizards on Wednesday, October 29th open to grades 2-5.
- **Neary School Drama registration is now open!** SkyRise Theater will be directing this winter's production of "Finding Nemo Kids."
- We successfully launched 16 one-day afterschool classes across Finn, Woodward, and Neary in November and December, giving families a chance to sample RAP offerings.
- Our Trottier Ski & Snowboard bus program filled quickly, and we're thrilled to have this long-standing favorite back up and running.
