# SPRING CLEANING?

Recycle your old clothes and help the SOS  
raise money for our schools!

Recycle your old clothes, linens, and more and the  
Southborough SOS can earn money - *at no cost to you!*

How - Look for large white donation bins in the parking lot  
at each school in Southborough. The bins are accessible at all  
times and are emptied weekly.

**The Southborough SOS gets paid by the pound so the  
more you donate, the more money we make! In 2021, we  
collected 12,345 pounds of textiles for reuse and  
recycling. Lets keep the trend going!**

Baystate Textiles collects used clothing and  
other textiles including stuffed animals,  
pillows, shoes, linens with holes and stains  
and more. A complete list of acceptable  
items can be found here:
