## **LOCAL CERTIFIED LABS**

These are the Certified Labs that MassDEP has certified for arsenic testing for wells in Central MA:

| <b><u>Mass Lab ID</u></b> | <b><u>Lab Name</u></b>                  | <b><u>Address</u></b>                     | <b><u>Phone</u></b> | <b><u>Director</u></b> |
|---------------------------|-----------------------------------------|-------------------------------------------|---------------------|------------------------|
| M-MA086                   | Alpha Analytical                        | 8 Walkup Dr., Westborough, MA 01581       | 508-898-9220        | Marco Soares           |
| M-MA1059                  | Worcester Water Filtration Plant Lab    | 71 Stone House Hill Rd., Holden, MA 01520 | 508-799-1513        | Kevin LaPlante         |
| M-MA1118                  | Nashoba Analytical LLC                  | 31A Willow Rd., Ayer, MA 01432            | 978-391-4428        | Peter Nevius           |
| M-MA108                   | MWRA Southboro Laboratory               | 268 Boston Rd., Southborough, MA 01772    | 617-660-7803        | Steve Rhode            |
| M-MA914                   | MWRA Clinton Wastewater Treatment Plant | 677 High Street, Clinton, MA 01510        | 617-660-7803        | Steve Rhode            |

No labs in MA are certified for gross alpha, but most, if not all the above probably offer the testing by sub-contracting with one of the following:

| <b><u>Lab Name</u></b>                  | <b><u>Address</u></b>                          | <b><u>Phone</u></b> | <b><u>Director</u></b> |
|-----------------------------------------|------------------------------------------------|---------------------|------------------------|
